Love. At any cost. Tessa Quayle-young, beautiful, and dearly beloved to husband Justin-is gruesomely murdered in northern Kenya. When Justin sets out on a personal odyssey to uncover the mystery of her death, what he finds could make him not only a suspect but also a target for Tessa's killers. A master chronicler of the betrayals of ordinary people caught in political conflict, John le Carr© portrays the dark side of unbridled capitalism as only he can. In The Constant Gardener he tells a compelling, complex story of a man elevated through tragedy as Justin Quayle-amateur gardener, aging widower, and ineffectual bureaucrat-discovers his own natural resources and the extraordinary courage of the woman he barely had time to love.
